Dear Sir/Madam,

Thank you for your organization's application for accreditation as an observer organization to the Green Climate Fund.

We are pleased to inform you that the Fund's Board has approved your organization's accreditation.

As an accredited observer organization to the Green Climate Fund, your organization is eligible to register participants to attend as observers at upcoming meetings of the Board.

The Fund reserves the right to limit the number of registered participants per organization due to space limitations.

Please bear in mind that registering organizations are responsible for the conduct of each of their registered representatives.

The list of accredited observer organizations on the Fund's website will be updated shortly. To review the list, please visit: <http://www.gcfund.org/observers/accredited-observers.html>.

We look forward to your participation in the Fund's process.

Please feel free to contact us at [observercontact@gcfund.org](mailto:observercontact@gcfund.org) if you have any questions.

Yours faithfully,
